

Amazon Smile Step-by-Step Guide

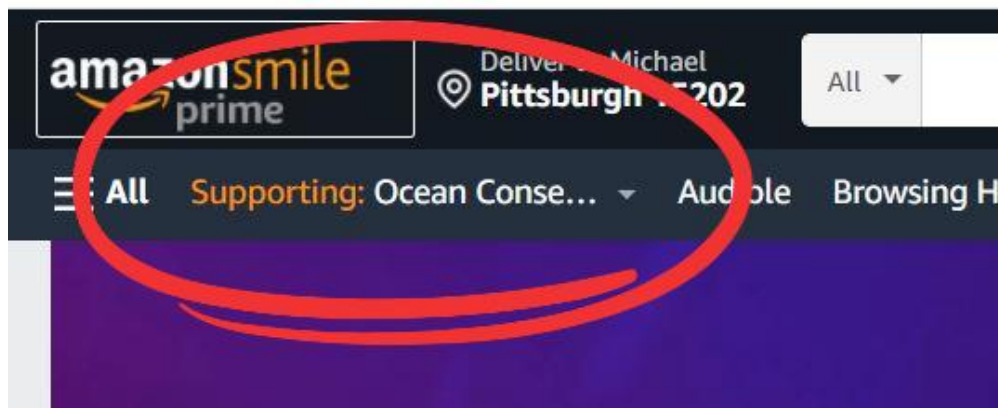

Step 1: Go to <http://smile.amazon.com>.

Step 2: Sign in using your Amazon username and password to get to the Home Screen.

The home screen will look very similar to the regular Amazon home screen, except you will see the Amazon Smile logo in the upper left-hand corner (instead of the regular Amazon logo).

Step 2: Click on the link next to “Supporting” in the upper left-hand corner.

Amazon Smile will have pre-selected one of their default charities for you. Click on the name of the charity. It will link you to the page that will allow you to select your own.

Step 3: Click “Change Charity”

The screenshot shows the AmazonSmile Impact page. The top navigation bar includes the AmazonSmile logo, delivery location (Pittsburgh 15202), a search bar, and account/order links. Below the navigation, the page is titled "Your AmazonSmile Impact" and is divided into two main sections: "Your orders that have supported charity" and "Your current charity". The "Your current charity" section is circled in red and shows the current charity as "Ocean Conservancy" with a "Change charity" button. Other sections include "Your total orders" (3 orders), "Every little bit counts" (\$0.19 generated), and a list of programs.

On the next page, under “Your Current Charity” in the upper, right-hand corner of your screen, click the “Change Charity” button.

Below the navigation, the page is titled "Choose one of our spotlight charities" and lists several charities: National Alliance for Hispanic Health, Environmental Defense Fund, Ocean Conservancy, Hope For Paws, and American Institute for Cancer Research. A red arrow points to the "Or pick your own charitable organization:" section, which contains a search bar with the text "Together in Dance, Inc." and a "Search" button.
